

eNCPT Subscription Pricing

Welcome to **eNCPT** – a web-based resource for the Academy of Nutrition and Dietetics' **Nutrition Care Process Terminology**. Improved from its predecessor (IDNT Reference Manual), **eNCPT** continues to offer all of the peer-reviewed content along with easy navigation, modern functionality, improved site organization, and language translations. Subscriptions can be purchased directly from the eNCPT website.

Institutions will be granted permission to use the NCP Terminology in their Electronic Health Record (EHR) with an annual subscription (Organization or Developer plan) to **eNCPT**. These subscribers can download the spreadsheet of terms and abbreviations from **eNCPT**.
